

Have you tried flag football yet?

If you haven't tried flag football yet, or if you are just looking for an activity to keep you active through the winter, why not try a sport that's fast paced and tons of fun!

The Football Manitoba GIRLS HIGH SCHOOL FLAG season is coming up very soon and we want you to be part of it! Register as an individual or get some friends together to register a team.

Teams can have any female player between 14 and 17 years of age and they do not have to attend the same high school. If you know a group of female athletes at your school, you can ask a teacher or coach to work with you, or you can just register the team yourself...whatever works! We can help supply coaches if you can supply the players!

Space is limited and there are a limited number of teams we can accept, so if you're interested don't delay! Go to
