Dear Parents/Guardians,

As you may be aware, Westview School experienced a large fire yesterday evening. The Westview and RETSD staff met with fire officials this morning and we learned that Westview has significant fire, smoke, and water damage. Our thoughts are with the Westview School students, families, and staff. All students from Westview will be learning from home over the next few days.

Today, we learned that Radisson will once again welcome our neighbor, Westview School, into our building as we did earlier this year. Unfortunately, all of Westview's furnishings and learning materials have been destroyed by the fire. This will impact how quickly we have the school ready to welcome them back.

We will continue to update you on the timeline of this move as learn more.

Thank you for compassion and support,

Scott Harmacy
