Dear Parents/Guardians,

We want to hear from you.

It would be appreciated if you would participate in a [Thoughtexchange](#). Your responses will assist us in better understanding your personal perspective of your child(ren)'s education and learning during the pandemic. Feedback will help us develop an appropriate educational direction going forward.

The Board of Trustees of the River East Transcona School Division realizes the school year has impacted your family, a year of both challenges and success for you and your child(ren) while attending classes in person, remotely, or in a blended model of learning. A summary report of our findings will be publicly published.

We would like to take this opportunity to thank you for your resilience and patience during the pandemic.
