## **BAND STUDENTS**

Students are encouraged to arrange for an instrument to be ready for the beginning of the school year. While it is unclear if we will be playing instruments in school, students will continue to have the opportunity to practice at home. Instrument use in school will resume when Public Health orders allow. Students should consider proper supplies such as new reeds, cleaning swabs, valve oil, etc. The summer is a good time to have instruments repaired and cleaned so they will be in excellent performing condition.

## **GUITAR STUDENTS**

Students enrolled in guitar will be provided a classical guitar to learn how to perform in class and at school concert performances. A guitar for home may be purchased for practice but is not mandatory for the program. A Yamaha classical guitar, Model C40 is recommended for beginning-level student use.

## **PHYSICAL EDUCATION**

Phys Ed water bottle, labeled with student's name on it. There will be no access to the change rooms as per Manitoba Health. Students are expected to come prepared and dress for the weather each Phys Ed day (i.e. T-shirt under a sweater, a light jacket or gloves if/when needed in the fall). Phys Ed duotang and pencil/pen to be clipped in the duotang.

## **SCHOOL FEES**
