Computer Use Permission Form For Students in Kindergarten to Grade 12

We are pleased to offer students of River East Transcona School Division access to the divisional computer network for electronic mail and Internet. To gain access to email and Internet, all students under the age of 18 must obtain parental permission and must sign and return this form to the school. Students 18 years and over may sign their own forms.

(1) Internet Safeguards

Access to email and the Internet will enable students to explore thousands of libraries, databases and bulletin boards while communicating with Internet users throughout the world.

On a global network, it is impossible to restrict access to controversial materials. It is the shared responsibility of the student, parent, teacher and administrator to ensure that access to networks and computers provided by the school system is not abused.

Some material accessible via the Internet might contain items that are illegal, defamatory, inaccurate or potentially offensive to some people. ***The River East Transcona School Division uses an Internet filtering system to minimize access to inappropriate websites (e.g.: pornography). In addition, all student email messages are sent through a content filter, which scans for obscene or threatening language.*** While we do everything we can to prevent such access, it is not possible to *guarantee* that students will not accidentally or purposely find inappropriate material. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages. But ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources. To that end, River East Transcona School Division supports and respects each family's decision whether or not to approve computer access.

(2) Division Internet and Email Rules

Students are responsible for good behaviour on school computer networks just as they are in a classroom or a school hallway. Communications on the network are often public in nature. General school rules for behaviour and communications apply.

The network is provided for students to conduct research and communicate with others. Access to network services is given to students who agree to act in a considerate and responsible manner. Parent permission is required. **Access is a privilege – not a right.** Access entails responsibility.

Individual users of the divisional computer networks are responsible for their behaviour and communications over those networks. It is presumed that users will comply with divisional standards and will honour the agreements they have signed.

Network storage areas may be treated like school lockers. Network administrators may review files and communications to maintain system integrity and ensure that users are using the system responsibly. Users should not expect that files stored on divisional servers or workstations would always be private. As outlined in board policy, the following are not permitted:

- (a) sending or displaying offensive material;
- (b) sending or displaying violent or pornographic material;
- (c) using obscene language;
- (d) using information and communication technology to harass, insult or attack others (cyber-bullying);
- (e) damaging computers, computer systems or computer networks;
- (f) accessing, uploading, downloading or distributing material that the school has determined objectionable;
- (g) violating copyright laws;
- (h) using another's password;
- (i) trespassing in another's folders, work or files;
- (j) intentionally wasting any resources or introducing a virus or any destructive data into the network;
- (k) employing the network for commercial purposes.

Violations of this policy may result in a loss of access, other disciplinary measures, legal action or a demand for financial reimbursement.

A copy of the complete policy (IJND – Computer Technology Use) is available at the school upon request or at www.retsd.mb.ca.

Dear Parent(s)/Guardian(s):

The Grade 6-8 Physical Education/Health Curriculum contains potentially sensitive outcomes in the following areas:

- Personal Safety
- Substance Use and Abuse Prevention
- Human Sexuality

The curriculum is developmentally and age appropriate; for example, at grades 6-8, Personal Safety helps students identify safety guidelines to protect themselves in potentially sexually abusive situations and to better understand abusive relationships. Substance Use and Abuse Prevention includes distinguishing between medicinal and non-medicinal substances and their effects on the body. In Human Sexuality, students will learn about the structure and function of the reproductive system, changes in puberty, recognizing the importance of abstinence and responsible decision-making.

Manitoba Education has mandated all potentially sensitive outcomes. Parents have the option to choose school-based delivery or an alternative delivery for this potentially sensitive content. Alternative delivery of the potentially sensitive content becomes the responsibility of the parent (i.e. home or professional counseling) where the content is in conflict with family, religious or cultural values.

Please complete the form on the reverse side indicating either school-based delivery or alternate delivery of the potentially sensitive content for your child. Please note that the permission form is a multi-year form, covering Grades 6 to 8. Choice of school-based delivery or alternate delivery can be changed at any time. Please notify the school in writing to request a change.

Yours truly,

T. Holroyd
Principal

Arthur Day Middle School

GRADE 6-8 PHYSICAL EDUCATION / HEALTH EDUCATION Parental Option for Potentially Sensitive Content

Alternate Delivery indicates you are assuming the responsibility for an alternative, home-based delivery (home, professional counseling) of the potentially sensitive content for your child where the content is in conflict with family, religious or cultural values.

Dear Parent/Guardian:

The purpose of this letter is to inform you about some of the out-of-school activities or events in the local school community in which your child will participate while attending Arthur Day. Your signature at the bottom of this form confirms that you are aware of the information provided in this letter.

The River East Transcona School Division and the staff of Arthur Day Middle School recognize that valuable and unique learning can take place outside of the school building. We are therefore encouraged to make use of the total resources of the local community to meet curriculum goals.

During the course of the school year, student groups will engage in activities within the local community that take them out of the school building. These activities may include but are not limited to activities and events such as: jogging for Phys. Ed. classes, cycling, hikes to George Olive Nature Park, hikes to Transcona Community Bioreserve, Water Safety at local pools, Bird's Hill Park, cross-country running meets, Harbourview Recreation Complex and local community green spaces.

The risk of injury exists in all student activity; however, due to the very nature of some activities, the risk of injury may increase. The safety and well-being of students is a prime concern and every effort is made to minimize the foreseeable risks inherent in any activity.

While participating in school activities which take them into the community, it is expected that students will conduct themselves appropriately during all aspects of schooling.

If, for some reason, your child cannot or ought not to participate in activities of this nature, please let us know.

I / We understand and agree that this is a part of the school program. I/We also understand that as a result of participating in this program that the participant is expected to follow the school procedures and code of conduct and that any deviations from these may result in consequences from the school administration.

I / We declare having read and understood the above INFORMED CONSENT AGREEMENT in its entirety and hereby consent to participate being aware of all the foregoing.
