- Winter has arrived! Please help your child dress appropriately for the weather and **please label** their mittens, scarves, hats, ski pants and jackets. We have a lost and found but it is much easier to connect owners to ski pants (many pairs of black ski pants 😊) and mittens when they are labelled.
- Our students have written some Winter tips. The PDF is attached to this E Memo. Take some time to read their great writing. They have some good advice to share!
- Thank you to the community for continuing to send your students with masks and following all the provincial guidelines. We know it can be difficult keeping your children home when they have the sniffles, or going for repeated COVID tests, but it really does make a difference to our school's health.
