Dear Parents,

Our school will be ordering school supplies for your child for the new school year. This will save you time required for shopping and labeling. This method ensures that all children will have the same good quality supplies to use throughout the entire school year. It is ***considerably cheaper for our families*** if we purchase the school supplies in bulk through our suppliers.

**Please send \$30.00** with your child on the first day of school to cover the cost of these supplies.

**Please send an additional \$10.00** for Art Supplies.

**Please send Cash or ONE \$40.00 cheque to school on the first day.**
