## Electronic Notifications at Bird's Hill School 2019 - 2020

We are pleased to offer you the possibility of receiving our school newsletter electronically. We are trying to reach as many families as possible by email. This will:

- allow parents to receive information promptly
- eliminate the risk of letters/notes being lost or forgotten in a child's desk or school bag
- help the school save money on paper that can be directed to other projects benefiting our students

To consent to receive information electronically in the form of newsletters, school updates and announcements regarding division and school activities, including fundraising and promotions, please fill in the information below and return to the school office. Promotions include information through our newsletter regarding nursery openings and children's activities such as the Teddy Bears' Picnic.

This consent will carry forward to the next school year. If at any time you wish to be removed from e-mail, please contact the school office.
