Dear Parents/Guardians,

It is with profound sadness that we share news of the passing of Sarah Lazar. Ms. Lazar was a Grade 8 teacher in our school and an integral part of our school community.

On behalf of our entire school community, we send our sincere condolences to Ms. Lazar's family and loved ones. She will be greatly missed by her students, their families, and her co-workers, both at Bernie Wolfe and across the division.

Teachers will share this sad news with students in Grades 7 & 8 on the first day back at school. Divisional and school supports will be available to help students with this news.

We know that death can affect each child differently so as parents, please watch for any signs that your child may be feeling upset. Some examples may include trouble sleeping, overly expressing concerns, changes of behaviour, or an increase in emotions.

If you notice these signs, please contact the school so we can further support your child.

Sincerely,

C. Chartier
