Re Kindergarten Staggered Entrance Dates – September 2020

Please be advised that at this time we are planning to continue to use four days maximum for the Kindergarten start in September 2020.

Kindergarten classes can be divided and each half will attend one full day between September 8 - September 11, 2020.

If your school uses some of this time for interviews, you can plan alternate ways to use these four days.

All registered Kindergarten students must be in class full time by Monday, September 14, 2020.

Please find attached the ladybug and caterpillar calendars.

Please note: Due to the current situation, please be flexible to change as information becomes available.
