CODE OF CONDUCT

RETSD's Code of Conduct is central to the division's commitment to fostering safe, caring and inclusive schools. Originally created in 2008, the code was recently revised to more closely align it with the new Code of Conduct produced by Manitoba Education and Advanced Learning. The main changes include a revised definition of bullying and the addition of new technology terms.

The new Code of Conduct was sent home with students on the first day of school. The code can also be found on the division website at http://www.retsd.mb.ca/Lists/Publications/code_conduct.pdf
