Grade 6, 7 & 8 Supply List 2021-2022

THE SUPPLY LIST REFLECTS THAT LOCKERS MAY BE UNAVAILABLE. If Covid Restrictions continue in the Fall, students should only bring to school what they need each day and must take supplies home at the end of each day. There will not be any storage at school for supplies. Students should keep supplies in their binder or backpack. Backpacks will serve as student lockers and will be accessible to students at their desk. As supplies are used throughout the year, they may need to be replenished. We will update you in August when we receive more information from the government.
