

Parents in the School

HOME AND SCHOOL AS PARTNERS

The school's program and efforts are enhanced for students by parents and guardians who:

- Support school goals and initiatives by becoming active members of the CPET Parent Advisory Council
- Promote a positive attitude towards learning and the French Immersion Program
- Support Canadian Parents for French by being an active member
- Coach and manage various sports teams
- Work together as partners with teachers in the mutual undertaking of education that seeks to ensure the growth and development of students
- Support the music program via CPET Parent Music Association
- Help the student budget sufficient time and choose a study area within the home conducive to completing homework
- Make the school aware of any health problems ailing the student
- Aid the student in setting clear and reasonable goals for acceptable conduct and/or achievement in school
- Limit student's employment hours to a reasonable amount
- Attend parent-teacher conferences
- Phone the school prior to 8:45 a.m. if a student must be absent from a class for any reason.
