DR. HAMILTON GREEN TEAM

Dr. Hamilton's green team is looking for ways to help keep the world clean! Bring in your old markers, pens, highlighters, sharpies, or mechanical pencils to school and we will keep writing instruments out of landfills! Once collected the items are cleaned, shredded and remade into new recycled products. Currently, this program has diverted over 1.4 million writing instruments from the landfills. If all writing instruments were recycled through this program it would be 18 times taller than Mount Everest!

You can learn more about the recycling process and the Staples recycling program at <https://bit.ly/2jLzCJh>

THANK YOU SO MUCH TO OUR PAC AND PARENT COMMUNITY FOR THE DELICIOUS BREAKFAST AND SNACKS, FLOWERS AND FANCY SOAPS FOR TEACHER APPRECIATION WEEK! WE FEEL VERY LOVED!

*Upcoming events, field trip information and permission forms are posted on the school website.
