

MONDAY, OCTOBER 22, 2018 – FRIDAY, NOVEMBER 2, 2018

THANK YOU to all our families who participated in the school Sobeys/Safeway Gift Card Fundraiser! Order forms and monies were due to the office on Thursday, October 18, 2018. If you find your order form is still in your child's bag, please send it to the office on Monday as we will be finalizing our order! All profits raised will go towards teaching and learning tools and materials that will benefit all of our students at Dr. F.W.L. Hamilton School! Thank you again for your support!

HALLOWEEN

On October 31, 2018, students will be welcome to dress up in the afternoon after lunch. This year, starting at approx. 1:40 p.m. students will parade from class to class and head towards the gym. Once in the gym, we will take a class picture and then students will make their our way back to their classroom. Please remember not to send any “costume weapons” or violent costumes to school for our Halloween parade. This would include any masks/head gear that covers a student’s face to prevent them from being easily identified by staff.

Halloween is a time for fun and treats! To reduce the risk of students with life threatening allergies, products with peanuts, nuts and peanut butter should not be brought into the building.

BAG UP DR. HAMILTON!

We are once again participating in the “Bag Up” challenge starting on **Monday, October 22 until Wednesday, October 31!** We will be collecting grocery bags, retail bags, newspaper sleeves, produce bags, bread bags, ice bags, bubble wrap, and re-sealable food bags! When collecting bags for this challenge, please ensure they are clean, dry, free from any debris and counted. Please label the number of bags handed in. Just for participating, our school will receive frisbees made from recycled plastic, and we will be entered in a draw to win a bench all at the same time as saving our landfills from plastic debris!

EARTH RANGERS

THANK YOU TO LEHIGH HANSON for sponsoring our EARTH RANGERS ASSEMBLY once again this year! Our students were in awe of the beautiful wildlife they saw and learned about Climate Change in an engaging and interactive way!

Please check the school calendar and website regularly! We try and keep up to date with activities and information for your convenience!
