Introductions

Admin Report JP Rochon

I love to Read Month activities all month long, including Book Launch evening on February 28th.

> Manitoba Theatre for Young People were at the school on February 5, sharing the play “A Wrinkle of Time”.

> Basketball Club up and running – many after school practices, a couple tournaments along with Parent/Child evening on March 12.

> Movie Night postponed due to sustained inclement weather.

> A charity basketball game between Winnipeg Police Service Constables and CFL and CIS Football stars was held at Donwood on February 8th over the lunch hour. All students were invited to stay, and it was very enjoyable.

> Grade 5’s are starting their transition to Chief Peguis having been invited to this year’s Production of “The Little Mermaid” this upcoming Thursday.

> Leanne Smith (RETSD Divisional Inclusion Specialist – Indigenous Education) will be facilitating a residency at Donwood for half the classes

for the full week of Feb 19th, teaching students about Treaties and First Nations. She will follow up later in the year for the other classes.
