

2021/2022 Kindergarten Lunch Program Package

Every Student MUST Complete and Return by May 31st

Welcome Lunch Program Parents/Guardians,

The Donwood School Lunch Program is a service offered to families who are in need of lunch hour supervision for their child(ren). *The school division policy states "it is the parental responsibility for lunch supervision" therefore staying at school during the lunch hour is a privilege and those registered must follow all rules of the program, in order to remain in the program.* The program has been developed to support those families who are not home during the day and are prepared to pay for that service. Enclosed you will find our program outline and policies.

Children whom are exempt from Lunch Program fees are:

- ❖ those whom the division is obligated to transport- which are students in rural areas - East St. Paul and St. Clements municipalities, who also live more than 1.6 km away from their designated school
- ❖ students with specific special needs.

The School Division will provide funds to Lunch Programs to supervise these students.

Children who are required to pay/volunteer for the Lunch Program are:

- ❖ all students who stay over the midday break and do not belong to one of the categories listed above
- ❖ students who have exercised the "Schools of choice"

The Lunch Program will provide one supervisor per eating area daily. They will monitor the students from 11:45-12:45 while eating their lunch in their classroom, and while on the playground. Supervisors are required to clear the Child Abuse Registry of the City of Winnipeg and complete a confidentiality waiver form. Full-time employees will be trained in First Aide and must obtain a Criminal Record Check.

The Lunch Program's goal is to provide a well-supervised and therefore safe environment for the students. In order to accomplish this, personal information may need to be shared by the School with the Lunch program as it might relate to health care and supervision issues at lunch. Student specific training is provided to staff as needed.

Students will provide their own lunch and cutlery. There are no microwaves available for heating food. Lunch Program is not responsible for missing cash payments. If sending cash, please advise teacher through email.

If at any time you have any questions or concerns, I can be contacted either in writing (addressed to the "Lunch Program") or through a phone message left on my voice mail at 204-661-4200 ext 3262.

Covid 19 - Lunch Hour Plan

Donwood Lunch Program will follow directives that are received from Public Health and River East Transcona School Division as it relates to Covid 19.

Starting in September, the school will continue using Cohorts. The school will be divided into 2 larger Cohorts.

Cohort 1 - will go outside the first half and eat the second half of lunch.
Cohort 2 - will eat first half and go outside the second half of lunch.

Within the larger cohorts, each hallway has been divided into grade level cohorts. Each grade level cohort will have a designated play zone in the playground to prevent mixing with other grade level groups within the cohort. Each hallway will also have a designated exit/entrance.

Our water fountains, which are not touchless, will be closed off and bagged so that they cannot be used. Students are asked to bring their own labelled bottle of water to school, and these should not be shared.

Each cohort group will have a designated play area for outdoor time. Play zones will be rotated throughout the school cycle to allow for different play options. All staff will support students in knowing their designated area.

Each classroom will have their own designated recess equipment which will be cleaned at the end of each day.

Students who go home for lunch should be returning just prior to the end of lunch bell (12:45) and must go directly to their cohort's assigned location upon returning to school.

Administration and Lunch Coordinators will be in regular communication regarding the lunch program and its operations. Lunch Supervisors will work with as minimal cohorts as possible.

Hot Lunch program will be suspended at this time.

Lunch Time Routines & Rules

Please review these rules & routines with your child to better help him/her understand what acceptable behaviour is at lunch time.

Routines:

Classrooms will be divided into 2 groups. Group 1 will go outside for the first 30 minutes, then come inside to eat their lunch for the remaining 30 minutes. The other, Group 2 will eat for the first 30 minutes, then go outside for the remaining 30 minutes.

1. Children are to wash their hands prior to eating their lunch.
2. Students are to remain seated for the entire half hour eating time
3. After eating, students may put their lunch garbage away and return their lunch kits to their backpack.
4. Students will then have time to color, draw, read, or other activities at their desk
5. Students will have 30 minutes to be outside in their designated space.

****Kindergarten routine may be modified as necessary**

Rules:

- Students are expected to follow the Lunch hour routine as stated above.
- Students must keep voice level at an appropriate indoor volume.
- Children are not to share food and uneaten items should be taken home.
- Students must be respectful to classmates and supervisors at all times.
- Students required to wear masks will wear them when washing hands, and again while in desks after eating.

Inappropriate Behaviors & their Consequences:

Depending on the severity of the situation, students will "usually" be given a verbal reminder before a "Lunch Note" will be sent home. Depending on the situation, a phone call informing parents/guardians that there has been a concern/situation at lunch may be made. If a lunch note is issued, parents are asked to discuss with their child, sign and return the notice the following day.

****Failure to return a signed note does not negate the consequences****

If physical aggression against another person has been displayed, an immediate notice will be given. Depending on the severity of the incident, it may be moved up to a "2nd" notice" automatically and/or disciplinary actions may be taken by administration.

Should a second notice be required in the same term, the student will be suspended from the lunch program for 2 lunch hours. This means that your child will not be permitted to eat lunch at school, and you will be required to make alternate arrangements for your child's lunch supervision outside of the school premises.

Should a third notice be required in the same term, the student will be suspended from the lunch program for 5 lunch hours. This means that your child will not be permitted to eat lunch at school, and you will be required to make alternate arrangements for your child's lunch supervision outside of the school premises. **This is the parents' responsibility.**

Should a 4th notice be required in the same term, it may result in that student being permanently removed from the Lunch Program for the remainder of the year.
