

April 30, 2020

Dear families:

Do you get out to walk or run with your family? We are promoting the **Harold Hatcher May Marathon (also known as Run/Walk Club)**.

Here's how it works:

- When you get out to walk or run, note approximately how many kilometers you have travelled. Every family member counts, *including four legged ones!*
Example: 3 family members + 1 dog walk for 2 km = 8 family km
- Keep track of total family kilometers during the week and send an email with the amount each Friday in the month of May. cpakosh@retsd.mb.ca
- A tally of all kilometers will be reported each week. At the end of the month, we will report the grand total of kilometers our Harold Hatcher Community and staff have completed altogether. Any guesses?

We hope you are able to participate, every kilometer counts! A reminder to continue to social distance when moving about in the community as we enjoy the nicer weather that is headed our way!

If you have any questions, please feel free to email.

Cheryl Pakosh & Kyle Gough,
P.E. Teachers

HAROLD HATCHER MAY MARATHON
