Dear Mr. Stoesz,

Re: Electronic /Digital Sign for John Pritchard School

The Gateway Recreation Centre Inc. is in full support of the request for funding made by the John Pritchard School to go towards the development, purchase and installation of an Electronic/Digital Sign at the school.

The Gateway Recreation Centre Inc. runs many community events every year. The more advertising that we can do the better the community gets informed of our programs including summer and winter carnivals, sport registrations and many other special events held at the club. Many of the youth in the Gateway area attend John Pritchard School and would benefit greatly from such form of advertisement.

If you require additional information, I can be reached at 982-1234-1.

Sincerely,

Denis Van Laeken
General Manager
