Dear Families of K-5 students:

The purpose of this letter is to help you prepare for the upcoming school year which starts in the fall on Tuesday, September 8, 2020. We have found that the practice of purchasing class sets of school supplies has worked well, so we will continue with this practice.

For students in Grades 1-5 we will be collecting \$60.00 from each student to cover the costs of:

- School supplies e.g. pencils, duo-tangs, binders, paper, erasers, glue, scissors, headphones, Ziploc bags, etc.
- Special crafts and craft materials, and other special items required for our classroom program e.g. digital photographs.

For Kindergarten students the cost for these supplies will be \$30.00.

In addition we ask that you send the following items with your child on the first day:

- A pair of runners safe for gym and indoor use.
- Two large boxes of Kleenex.
- A school bag/backpack.

School supply money will be collected on the first day back to school. Cheques are to be made payable to **John Pritchard School**. A receipt will be issued.

Please note that special events and field trips may involve an additional charge throughout the year.

We hope you have a fun and safe summer. See you in the fall.

Sincerely,

Early Years Team.

Please note:

**In keeping with public health guidelines, classroom supplies will be disinfected as required!
Shared supplies will be disinfected between uses.**
