6. Business from previous meeting
 - A.) *Koats for kids*; low donations thus far but more expected as winter approaches
 - Jessie to organize and quality check items donated
 - B.) *Hot lunch*; Dylan inquired with various companies such as Mary Browns (4.99 per lunch, no profit) Spaghetti Factory (4.99 no profit), Dals (4.99 no profit)
 - Little Caesars offered medium or large pizza costs; PAC figures \$3.50 per lunch (slice of pizza, juice and snack) with profit of around \$1.25 per order. Cristina likely has food safe handling. Motion from Jen re: another two parents to attend food safe handling course; allowing up to \$300.00 from budget; 2nd motion Jessie- all in favor. December 10th hot lunch; over 5 volunteers to date; will add booster juice coupon to order form.
 - C.) *Literacy Evening*; Tracie stated staff response very positive- all in favor to offer math discussion for interested parents; January 10th, 6pm-7pm. Email to be sent for RSVP as well as need for childcare.
 - D.) *Fundraising*; Nicole received permit approval for raffle, waiting for finalization- once final raffle tickets can be sold. Will sell until after the concert on Dec.19th, 2018 and draw will be held Dec.20th at 9:45am. May create incentive for books sold; to be discussed via email.
