June 5th, 2020

Dear Parents/Guardians and Graduates,

We are very excited to be offering a Convocation experience for our Class of 2020!

It is very important for us to celebrate and recognize our graduates this school year, despite the circumstances that have affected their school experience during these last few months.

Convocation 2020 will be a special event for our graduates. All graduates will have the opportunity to wear the cap and gown symbolic of the graduation milestone, as well as cross a stage to receive their diploma at their high school. To provide this very important experience for our graduates, they will be invited to the school for a pre-determined 15-minute appointment. Graduates will be able to invite up to four guests to attend the ceremony with them (**limited to 4 guests per graduate**).

On June 8th to 16th, graduates will be able to book an appointment through our [Conference Manager](#) to pick up their cap and gown on either Wednesday, June 17th or Thursday, June 18th. Having the cap and gown well in advance of convocation will provide graduates and families many opportunities for graduation photos in a variety of settings before the convocation event. Gowns are to be returned at the school after the graduate has completed the ceremony, caps are gifted to graduates. ****Please enter through the student parking lot doors, go to the Open Area to pick up the cap & gown and then exit the electrical doors**

A letter will be mailed out early next week with the specific appointment time for each graduate. Please note the Convocation dates for students with last names starting with -

A to F will be Wednesday, June 24th, 2020

G to N will be Thursday, June 25th, 2020

O to Z will be Friday, June 26th, 2020

Details of the Convocation can also be located on our website.

We are very pleased to share the Convocation 2020 experience with our students and look forward to their presence at this very important chapter in their life.
