May 5, 2020

Dear KEC Class of 2020,

We are extremely proud of each of you!

Graduation is a defining moment, a huge accomplishment that should make you and your family proud!

The coronavirus, this pandemic has changed everything we know as normal. It is a moment in time, a mark in history, that has transformed your last few months of your grade 12 year.

Please know, we do want to celebrate this milestone with you! Current events, the ever-changing status of social distancing and the regulations around planning such events have provided us with many challenges in moving forward for planning.

As was mentioned in a letter sent to all graduates from the Superintendent of RETSD, we want you to know we are committed to celebrating your convocation from high school. While it may be postponed, it is of great importance to us to honour this special time in your life.

We ask for your support and understanding as we work through planning and determining next steps. We will share more information as soon as possible.

In the meantime, please reflect on the memories made during your high school education. Things like your first days as a grade nine student, your favourite teacher, the moments you laughed out loud in the hallway, the friendships you made, and the feeling of care you felt in your classrooms.

Hold them all close. We do!

Your KEC Reiver family!
