

CONCERNS AND COMPLAINTS PROCEDURES

The formal procedures for managing a concern or complaint are as follows:

- (1) Contact the person who is most directly involved and ask to speak to the person. If the individual is not available, leave a message including daytime and evening telephone numbers.
- (2) If the concern has not been resolved, contact the individual's supervisor. Complaints that are brought directly to the supervisor will be redirected to step one.
- (3) If the concern still has not been resolved, contact the superintendent. If contact begins at the superintendent's department, it will be referred to step one.
- (4) In the event that the concern has not been addressed, an appeal of the superintendent's decision shall be handled by the board of trustees through written correspondence to the chair. Neither the board, a committee of the board, nor a trustee shall consider or act on a complaint that has not been explored at the appropriate administrative level, nor shall they contact staff directly in a personal attempt to resolve the problem. A member of the board of trustees may assist the complainant in making the appropriate contacts required to complete steps one to three.
 - (a) When a written concern is received that names a staff member, the individual named will be notified and provided with a copy of the written concern and given an opportunity for explanation and written response.
 - (b) At any point in the complaint process, the individual named has the right to have an advocate present.
- (5) All correspondence to the chair of the board of trustees is reviewed at a board meeting. All personnel matters shall be dealt with in camera.
- (6) Written response of the board of trustees' decision will be provided to the parties involved in the complaint.
