Technology Education Program Questionnaire

Dear prospective Technology Education Program Student,

Kildonan-East Collegiate offers the following Technology Education Programs: Automotive Technology, Baking and Pastry Arts, Carpentry, Collision Repair and Refinishing Technology, Culinary Arts, Electrical Trades Technology, Graphic Design, Hairstyling, Interactive Media Design, Photography, and Refrigeration & Air Conditioning.

Students who are successful in a Technology Education Program program:

- Attend regularly
- Maintain good grades in their tech ed. and compulsory courses
- Follow work safety practices
- Need to be motivated with a keen interest and passion for the specific Tech Ed Program

Students applying for admission into a Technology Education Program at Kildonan-East Collegiate must submit a completed Kildonan-East Collegiate Registration package together with this questionnaire.

Our school will review each application package and each applicant will be issued notification by June 28, 2019.

Thank you for applying for a Technology Education Program at Kildonan-East Collegiate.

D.F. MacFarlane

Principal
