A HIGH SCHOOL COMMITTED TO EXCELLENCE!

MILES MACDONELL COLLEGIATE OFFERS A DIVERSITY OF PROGRAMS

International Baccalaureate

International Baccalaureate is a world class program with high academic standards and the opportunity to develop the skills, knowledge and work ethic to be highly successful and competitive in Canada and globally.

L'Immersion en français

The l'immersion en français program offers the opportunity to develop a high standard of academic excellence in the two official languages of our country, English and French.

Regular Academic Programming

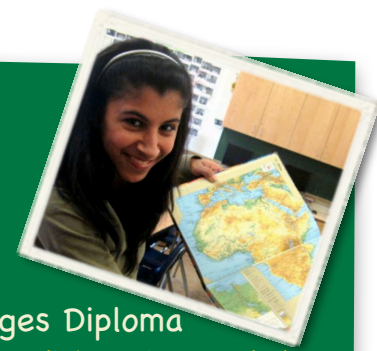

In the Regular Academic Program, you will have the opportunity to study and learn with students interested in achieving at a high level of excellence. These are academic programs leading to both post secondary education (University and College) and/or the workforce.

Student Services

The Student Services Department addresses the needs of students by assisting them to acquire and use life long skills in career exploration and planning, knowledge of self and others, and educational and vocational development. The counselors and resource teachers focus primarily and systematically on the individual and his or her potential for personal growth. The goal is to provide all Miles Macdonell Collegiate students with healthy life success skills.

Vocational Programs

There are two Vocational Programs at Miles Macdonell Collegiate, Cosmetology (Hairstyling, Nail Technology), Health and Human Services. These Vocational Programs emphasize the development of skills needed for successful employment in the workforce or for successful academic studies at a post secondary level.

World Languages Diploma

A world languages diploma is awarded to students who have obtained grade 12 standing in three languages and at least grade 11 standing in a fourth (English, French, Spanish, Japanese, Heritage Languages).

World Languages Certificate

This certificate is awarded to students who have obtained grade 12 standing in three languages.

Physical Education Program

This program includes a wide variety of Life Sport options which encourage the development of physical fitness and a healthy way of life. We also have a competitive sports program offering athletes the opportunity to develop their personal skills to a high level within a team context. At MMC we also offer an exciting array of outdoor experiences including camping, skiing, backpacking, cross country running, trips for sports teams and field trips.

Music Program

Miles Macdonell Collegiate offers both courses and extra-curricular activities for a host of musical interests. The possibility for extracurricular involvement in music includes Prodigy (auditions for participation), Jazz and flute ensembles, and participation in Musicals presented at MMC.

Career Development: Life/Work Transitioning (Grade 12 Students)
Career Development Life/Work Transitioning is a two credit 30S and 40S program offered to students in either semester one or semester two. This course is designed to help students make decisions about their lives after high school. Emphasis is placed on helping students discover their aptitudes, to match abilities and personalities with appropriate career choices and to investigate a range of careers through job shadowing and volunteer work.

English as a Second Language

A variety of EAL classes are available for students new to Canada. The classes provide supports and opportunities for the development of English language skills.
