

# Yearbook Grad Quote Instructions

Each graduate is responsible for writing their own grad quote for the yearbook.

To simplify this process for the yearbook team, we have decided to complete this task on Student Registration / Graduation Information, February 28.

**On February 28, each graduate needs to come to Room 20 (Mrs. Zubricki's room) to type in their yearbook quote. There will be laptops set up for graduates to use to type in their own quote. Use the template below.**

## Grad Quote

NAME: \_\_\_\_\_

TA: \_\_\_\_\_

Each space counts as one character in your quote. A space includes all punctuation, letters and spaces between words. Please remember to keep your quotes appropriate. If you exceed the limit given below, the yearbook staff reserves the right to shorten your quote. If you do not return this form, a generic quote will be chosen for you.

**Please bring this form to Room 20 on Thursday, February 28.**

A grid of 10 rows and 25 columns of blue dashed lines for writing the quote.
