

## Early Years

### Numeracy:

- **Math Games:** Manitoba Education and Training Math games for home – Each game comes with instructions for play as well as any necessary cards/materials that can be printed if needed. <https://www.edu.gov.mb.ca/k12/cur/math/games/index.html#home>
- **Online Resource:** Khan Academy provides interactive math learning. You will find a menu of possibilities under the Courses tab on the far left. Khan Academy Kids is appropriate for the K-2 learner. As well the Early Math link under Math in the menu is appropriate for the Early Years learner. <https://www.khanacademy.org/math>

### Literacy:

- **Tumble Books** – Resource for students to easily access books from home and use as read alouds or to practice reading and talking about books.
- **Storyline Online:** This online resource has well known actors reading book selections out loud, much like Tumble Books. Most titles have a secondary option below the title to access activity guides for parents or teachers. Some of these guides contain suggestions for learning in Social Studies or Science. [www.storylineonline.net](http://www.storylineonline.net)
- **Scholastic** has created a set of learning opportunities to span 20 days. You choose your grade level and then begin your learning. Each day includes choice and a variety of media as well as printed text. Learning opportunities often center around animals or science/social studies learning themes. <https://classroommagazines.scholastic.com/support/learnathome.html>

### Science:

- **Scholastic** has created a set of learning opportunities to span 20 days. You choose your grade level and then begin your learning. Each day includes choice and a variety of media as well as printed text. Learning opportunities often center around animals or science/social studies learning themes. <https://classroommagazines.scholastic.com/support/learnathome.html>
- **Oak Hammock Marsh** has live feeds of both the marsh itself and the birdfeeders. Viewing this at regular times each day would be a way to practice visual observation. <https://www.oakhammockmarsh.ca/learn/nature-at-oak-hammock-marsh/live-videos/>
- **Hancock Wildlife** has a number of live cams of eagles nesting. They are currently sitting on eggs. Caution, some of this material may be graphic in nature as eagles do eat other smaller animals. [www.hancockwildlife.org](http://www.hancockwildlife.org)

## Social Studies:

- **Scholastic** has created a set of learning opportunities to span 20 days. You choose your grade level and then begin your learning. Each day includes choice and a variety of media as well as printed text. Learning opportunities often center around animals or science/social studies learning themes. <https://classroommagazines.scholastic.com/support/learnathome.html>

## Arts:

- The Manitoba Arts Education website was created to provide online access to the K-12 drama, dance, music and visual art curriculum frameworks and to provide implementation resources for these subject areas. These additional resources are intended to support and promote the growth of all students as artistic learners.
