

Gr 1 English package

- Count in 1-100 using chart and try without the chart.
- Count in backwards – 20-1, 100-80, 45-25 using the chart and then try without it.
- Using the numbers supplied – mix them up and identify
- Using the numbers supplied – put numbers in order 1-20, 20-30, 25-45
- Practice by asking what # comes after such as after 5 comes.... after 9 comes....after 19 comes.....(easiest way to do this is mix up supplied numbers and show number and ask what comes next)
- Practice by asking what # comes before such as what number comes before 7....before 10.....before 6....(easiest way to do this is mix up supplied numbers and show number and ask what comes before)
- Practice using blank chart-counting forward, counting backward-following with your finger....start at different spots...starting at 43, 44,45 and so on.
