

Grade 1 planning

Activity	March 23	March 24	March 25	March 26	March 27
Literacy	Choose an animal found in Manitoba and write why you chose that animal.	Draw and label the body parts of the Manitoba animal that you chose.	Draw and write 1 or 2 sentences about your animal's habitat (where they live.)	What does your animal eat? Draw and write 1 or 2 sentences.	Who are your animal's predators?
Numeracy	Draw yourself and the Manitoba animal that you chose. Compare how you are similar and different.	If you had 2 or more of your animals, how many arms would there be? How many eyes? How many tails?	How many babies do they have? Estimate, then research the answer.	Draw a Venn Diagram to compare what you eat and what your animal eats.	Choose 1 predator. If there were 2 predators, how many predator legs would there be?
Physical	Pyramid Workout 20 Jumping jacks 15 Frog jumps 10 push ups 5 sit ups 10 push ups 15 Frog jumps 20 Jacking jacks	Balance Bingo Card (see chart)	Playing Card Fitness (see chart)	Create your own obstacle course (see chart)	How many rounds can you do? Can you encourage other family members to join in? 20 lunges 10 sit ups 20 mountain climbers 10 jump squats 20 jumping jacks 1-minute plank
Musical/ART	Build a habitat for your animal using materials at home (ex. Plasticine, recycled items, etc.) Criteria- Include your animal's food, shelter, predator(s), their young. Move to the beat of your favourite song! Try clapping, patting, marching, and skipping.	Build a habitat for your animal using materials at home (ex. Plasticine, recycled items, etc.) Criteria- Include your animal's food, shelter, predator(s), their young.	Build a habitat for your animal using materials at home (ex. Plasticine, recycled items, etc.) Criteria- Include your animal's food, shelter, predator(s), their young. Check out the Chrome Music Lab and experiment with some of the applications. Activity	April 6	April 7	April 8	April 9	April 10
Literacy	How many babies does your animal have?	How does your animal take care of their young?	How does your animal move? Do they walk, jump, etc? Try to move like your animal!	What are the stages of your animal's life cycle from baby to adult?	Write about 1 or 2 interesting facts about your animal.
Numeracy	If your animal has 4 babies, how many ears are there altogether?	If your animal had 4 babies each year, how many babies would they have in 2 years?	Make a movement pattern using the movements of your animal (ex. Jump, skip, jump, skip, jump, skip)	How long does it take for your animal to grow from a baby to adult?	Practice your "Fast Doubles" (i.e. $0+0=0$, $1+1=2$, $2+2=4$, etc.)
Physical	Go for a walk or play outside and hour!	Do a dance video or go noodle for 30 minutes from youtube.	Set up and play Skee Ball. Involve your family too! (see chart)	Alphabet workout. (see chart) suggestions: Spell your full name, your family members names, your pet names etc.	Play Fitness Eye Spy - Pick an object in the room, students get to guess if they get it wrong everyone does 1 of an exercise, next time they get it wrong you add on, example 2 of an exercise etc.
Musical/ART	Draw your animal's young and label their body parts.	Draw your animal taking care of their young.	Draw your animal moving and label the movements.	Draw and colour the life cycle of your animal.	Make a drawing to go with the interesting facts that you chose.

	<p>Listen to <i>La Primavera</i> from Antonio Vivaldi's <i>Le quattro stagioni</i>. What instruments do you hear? What does <i>La Primavera</i> mean? Does the music sound like springtime? Why? Do some spring-themed artwork while you listen! https://youtu.be/FDH2u8dHCuY</p>		<p>Make a shaker instrument from supplies you have at home! Cardboard tube, 2 Squares of wax paper, 2 Elastics, A teaspoon of dry rice, dry beans, or other dried good. Use your instrument to play along with a song!</p>		<p>Do you know how to do the twist? https://youtu.be/pHGxwQeUk7M How about the lobster twist? https://youtu.be/4mCffqrb6Bg</p>
