

Grade 3

Topic: Country Research

Activity	March 23	March 24	March 25	March 26	March 27
Literacy	Write about an imaginary trip to a country of your choice.	Draw a map and locate the continent your country is in.	Write a postcard to someone telling them about the things that you see and learned about in your country.	Choose a famous structure in your country and find out: When was it built? Where is it? Interesting facts?	Find a famous painting or artwork from your country and write about your thoughts and feelings about the painting or artwork.
Numeracy	Look up your country's currency. Compare it to the Canadian dollar.	Estimate how many days it will take to travel from Winnipeg to your country. Find the actual amount of travel time.	What is the population of your country? Compare your country's population to that of Canada.	Find the measurements of your famous structure including length, height, width.	What is the cost of the painting? Show it in at least two different ways.
Physical	Pyramid Workout 20 Jumping jacks 15 Frog jumps 10 push ups 5 sit ups 10 push ups 15 Frog jumps 20 Jacking jacks	Balance Bingo Card (see chart)	Playing Card Fitness (see chart)	Create your own obstacle course (see chart)	How many rounds can you do? Can you encourage other family members to join in? 20 lunges 10 sit ups 20 mountain climbers 10 jump squats 20 jumping jacks 1-minute plank
Musical/ART	Draw a picture of what you could see in the country you visited. Move to the beat of your favourite song! Try clapping, patting, marching, and skipping.	Draw the flag of your country.	Draw a picture for the front of your postcard. Check out the Chrome Music Lab and experiment with some of the applications. Which one is your favourite?	Draw a picture of your researched structure.	Replicate the famous artwork from your chosen country. Listen to your favourite song. Draw a picture, comic, or write a poem or short story that describes the story of the song.

	Now come up with your own dance moves!		https://musiclab.chrome.experiments.com/
