

Grade 4

Activity	March 23	March 24	March 25	March 26	March 27
Social Studies	Research project: Where is "Canada's North?"	What are types of food eaten in Northern Canada?	What type of clothing is worn in Northern Canada?	What type of tools and transportation is used in Northern Canada?	What type of Animals live in northern Canada?
Literacy	Read and choose a way to show your learning about Northern Canada (diorama, poster, book, power point)	Add to your presentation	Add to your presentation	Add to your presentation	Present your finished product to a someone (family member, sibling, etc.)
Numeracy	Play "Multiplication War" The card game	Can you find the price of food items in Iqaluit? Compare to the price of items in Winnipeg. How much more are items in Iqaluit?	Make your own adding game using Dice. Draw a 100's chart and play snakes and ladders on the 100's chart.	Race to 200 – (Two Dice and a piece of paper) Roll Two Dice and add or multiply the numbers together, write them down on a piece of paper. Then your partner goes. You may go as fast as you can, adding your totals together until you get to 200. (Works by starting with 200 and racing to 0 as well using subtraction.)	What is the distance in Kilometres between Iqaluit and Winnipeg? What methods of transportation can you use to get there? How long might they take?
Physical	Pyramid Workout 20 Jumping jacks 15 Frog jumps 10 push ups 5 sit ups 10 push ups 15 Frog jumps 20 Jacking jacks	Balance Bingo Card (see chart)	Playing Card Fitness (see chart)	Create your own obstacle course (see chart)	How many rounds can you do? Can you encourage other family members to join in? 20 lunges 10 sit ups 20 mountain climbers 10 jump squats 20 jumping jacks 1-minute plank

<p>Musical/ART</p>	<p>Paint a picture of the Northern Lights.</p> <p>Listen to your favourite song. Draw a picture, comic, or write a poem or short story that describes the story of the song.</p>	<p>On a paper draw a plate (or use a paper plate) Cut and paste pictures from flyers and show the food groups from the Canadian Food Guide.</p> <p>No instruments? No problem! Try some Hambone! Use your body to play some cool rhythms. There are lots of different sounds you can make. Check out the videos for some ideas and try using them with some of your favourite songs.</p> <p>Dave Ruch: Learn to play hambone! https://www.youtube.com/watch?v=2XuXy4JvWwQ</p> <p>Hambone Bros Tutorial https://youtu.be/uadwvqj9eAU</p>	<p>Can you make some decorative bracelets or necklaces or other artwork using beads or string?</p> <p>Draw a comic about positive problem solving with your friends.</p>	<p>Create an inukshuk using available materials including recycled materials.</p> <p>Listen to George Gershwin's <i>Rhapsody in Blue</i> What instruments do you hear? What is the genre of this music? Create some artwork inspired by this music using only shades of blue. https://youtu.be/eFHdRkeEnpM</p>	<p>Draw, sculpt, paint, or create a northern animal using available supplies.</p> <p>Make a spring rip art picture. Find old magazines and rip pieces to glue together to depict a spring nature scene.</p>
---------------------------	--	--	--	---	---

March 30th – April 3rd (Spring Break)

Activity	April 6	April 7	April 8	April 9	April 10
Science	Research project: Sound Draw a plan to design a soundproof box (Can reduce or dampen sound).	Use recycled materials to build a soundproof box.	Draw a plan to design an instrument.	Build the instrument that you designed using recycled materials.	Research different types of waves.
Literacy	Read about a traditional instrument for different country.	Write your own song.	Read about your favourite singer.	Write a biography about a Canadian Musician.	Present your song that you wrote to your family.
Numeracy	Yahtzee (a cup, 5 dice and scoresheets – available online.)	Play “Multiplication War” The card game	Close the Box – (Two Dice and a piece of paper.) You take turns rolling the dice, and close off numbers 2-9 by rolling those numbers. The person who closes off the LAST box wins.	8 Legged Spider – Two Dice, paper. Draw a spider body in the middle of your page (a simple circle will do.) You take turns rolling the dice. If your roll adds up to 8 you add a leg to the spider’s body. The person who makes the MOST spider legs wins.	How do you measure sound waves? Compare it to regular waves in the ocean.
Physical	Go for a walk or play outside and hour!	Do a dance video or go noodle for 30 minutes from youtube.	Set up and play Skee Ball. Involve your family too! (see chart)	Alphabet workout. (see chart) suggestions: Spell your full name, your family members names, your pet names etc.	Play Fitness Eye Spy - Pick an object in the room, students get to guess if they get it wrong everyone does 1 of an exercise, next time they get it wrong you add on, example 2 of an exercise etc.
Musical/ART	Check out the Chrome Music Lab and experiment with some of the applications.	Find a concert to watch and sing along to.	Write your own song! Come up with some lyrics, then use the Chrome Music Lab SONG MAKER application to	Listen to a song with eyes closed. Draw what you feel or see.	Listen to <i>La Primavera</i> from Antonio Vivaldi’s <i>Le quattro stagioni</i> . What instruments do you hear? What does <i>La</i>

	Which one is your favourite? https://musiclab.chrome.experiments.com/		create your own melody and rhythm to go along with it. (Maybe you prefer using the RHYTH or MELODY MAKER applications.)		<i>Primavera</i> mean? Does the music sound like springtime? Why? Do some spring-themed artwork while you listen! https://youtu.be/FDH2u8dHCuY
