Countdown to Kindergarten Preschool Growing & Learning Days

Is kindergarten just around the bend for your child?

If so, we can help you stay ahead of the curve, learn a thing or two about what to expect, and have fun at the same time! If your child will be attending kindergarten in our division in the year 2020, you are invited to attend one of our free Preschool Growing & Learning events this spring.

Get a taste of school and meet the friendly, helpful people you'll find in it. Kindergarten, resource and gym teachers will be on hand with all kinds of games and activities for you to enjoy.

Meet principals, vice-principals and student support staff, as well as clinicians, public health nurses and other community service providers who have helpful information for you. You can even get your child's hearing and vision screened. The activities/screening stations take approximately 90 minutes to complete.

Registration begins January 22, 2020
