

Batman New 52: Zero Year

Authors: Greg Cappulo, Scot Snyder, John Tynon, Rafail Alberquerque.

Reviewer: Danny

Genre: Adventure/ Fantasy

The main character is Bruce Wayne, he is also Batman. His job is to fight crime around Gotham, until the city gets taken over by the Riddler. He calls it "Zero Year". They never keep track of time or the date. The Riddler has a challenge every day, for the citizens of Gotham, but if a citizen can ask him a riddle that the Riddler can't answer, the city is free. If the Riddler gets the question right, the citizens gets thrown in a pit of lions. One day Batman challenges him and the Riddler gets the question right. Batman has to fight the lions; he kills them and goes after the Riddler. Then the Riddler has a big problem... What will happen...

Recommendation:

I recommend this book to people that like to read short and action packed books. I also recommend this to people that like super heroes.
