

Divergent by Veronica Roth

One choice can transform you--or it can as easily destroy you. Choices have consequences and turmoil emerges in the factions as their choices are revealed. Tris Prior is a teenage girl whose time has come to choose her faction and her ultimate way of life. A standardized test results in secrecy and turmoil in her life and who she can trust. Tris's initiation day should have been marked by celebration and victory with her chosen faction but instead, the day ended with unspeakable horrors. A pending War emerges as conflict between the factions and their ideologies grows. Tris must choose sides even if it means hurting or betraying the people she loves. Changed by her own choice and decisions but also by grief and guilt, she makes new discoveries about herself and her relationships. Tris must fully embrace her Divergence, even if she is unsure of what these choices will ultimately bring.
