

Book Review

Name of Book: Hatchet

Book Reviewer: Jack

Author: Gary Paulson

Genre: Adventure

This adventures' novel is about a 14 year old teenage boy named Brian who is flying to his dad's house. Suddenly the pilot had a heart attack so Brian tries to fly the plane but he ended up crashing the plane in the water and nearly drowned! Now Brian has to survive in the wild with nothing but the hatchet, that his mom gave him. So now his goal is to find civilization. Brian has to survive in the wild. Meanwhile his parents are terribly devastated when they heard that the plane Brian was on crashed. Will he die or will he find civilization... Read on to find out?

Recommendation:

I would recommend this book to hunting or an adventure type of person. I also think that this book is mainly for guys the ages of 10 and up.

Rating: 4/5 stars
