Genre: Fantasy/ Adventure

The Scorch Trial is about a 15 year old boy named Thomas. This book takes place in the future. He and the other Gladers are fighting for their life not just against WICKED but also the Flare. The Flare is a disease that makes you go insane. WICKED has planted the disease in each and every one of them and they have one week to walk 100 miles in the scorching hot, if they don't they will go insane. Will the Gladers make it to the so called Safe Haven? Will they all die? Find out what lies ahead for them in the Scorch Trials!
