Dear Parents,

Your permission/consent using this online form is required for a field trip.

The students in 7A are studying location in Social Studies and will be working on a collaborative project in ELA on the Historical Significance of Portage and Main. On Friday, October 12, the students will travel by public Winnipeg Transit bus to the Concourse in order to experience and understand the every day challenges of commuting through this famous intersection.

All students will need to meet at the Glenway bus loop on the west side of Henderson Highway @ 9:15 am. Students will be provided with a bus ticket which is included in the cost of the field trip. If you are unable to transport your child to this location, please email Ms. Douglas to make alternate arrangements.

To ensure historical accuracy, we will be walking the concourse and visiting the Manitoba History room located in the Millennium Library. Students will be required to bring a flash drive to save/store newspaper archives files. The staff of the Millennium Library have prepared a special activity for the students.

Following our research period, we will have lunch at City Place. Students can bring a bag lunch or purchase lunch there. We will be returning to Robert Andrews School by divisional school bus at 2:00 pm. The cost of this field trip is \$10.00 which includes the bus ticket and should be paid by credit card using this online permission/consent form, or by cheque/cash forwarded to Mrs. Hrabi by no later than Thursday, October 11. Students are required to have proper outdoor clothing as we will be walking outside.

Parents: Please inform your child that you have given your permission to participate in this event.

Please Note: As the cost of the field trip is determined by the number of students attending, no refunds will be allowed.

If you have any questions, please email pdouglas@rets.d.mb.ca.
