Dear Parents/Guardians of Students moving to Grade 6 in 2019-2020 at Robert Andrews School,

We, the staff members of Robert Andrews School, are very excited about the next school year – the first year for your child in a Middle Years school.

To ease the transition, we have held an Open House, hosted student tours, and have attended transition meetings with staff from the sending Early Years schools.

Our next step in making the transition to a new school as comfortable as possible for your child (and you), will be to have a “staggered” start on the first day of school, Wednesday, September 4, 2019. This staggered start allows us to focus more teacher resources in assisting our younger students in their first few hours in our building and to give them some time to ease into their new class surroundings.

Students entering Grade 6 in September will arrive at the school at the regular time of 9:20 a.m., by regular school bus, or other transportation that you have arranged. We will have Leadership Students and Teachers greeting the Grade 6 students at the entrance, directing them to their appropriate classroom.

(Students entering Grade 7 and 8 in September will arrive at the school at 1:05 p.m.)

The Supply List for Grade 6 is on the reverse side of this letter.

If you have any questions or concerns, please do not hesitate to phone or send an email.

We are looking forward to a wonderful year of teaching and learning, and being able to work with you and your child! Together, we can make this school year *the best year ever!*

Sincerely,

A handwritten signature in black ink that reads "T. Stoesz".
