January 11, 2018

Dear Parents/Guardians:

With 38 students participating, the Asessippi ski trip will occur from February 7 – 9, 2018. Included in this letter are some important dates and information, as well as the final pricing based on this year’s total number of participants.

Costs: As our numbers have been finalized, we are able to give the final total for the trip. All of the options below include: transportation, accommodation, lift tickets, food (as per the itinerary), lessons and rentals (if required).

Please choose the option that best suits your child to determine the respective cost balance. The \$100.00 deposit has already been applied, so the remaining cost is as you see it below. Please submit payment on or before the parent meeting on January 25th.

A. Students who own all equipment including helmet*	\$270.00
B. Students who own all equipment but require the rental of a helmet.....	\$285.00
C. Students who will rent ski or snowboard equipment, but can provide their own helmet* ...	\$325.00
D. Students renting all ski or snowboard equipment and a helmet.....	\$340.00

*Helmets must be ski or snowboard approved. Bicycle/hockey/other types of helmets are not acceptable.

TIP: We strongly recommend that this trip not be the time for your child to learn snowboarding. It is difficult at first and they may be restricted to the bunny hill for the duration of the trip. Skiing is easier to learn and students can gain access to a greater number of runs. If your child wishes to learn to snowboard, please have them attend a learner’s course at Spring Hill or Stony Mountain in advance of the departure date, and provide documentation confirming this.

**** Parent Meeting: Thursday, January 25th at 6:00 pm in the Learning Commons****

At the parent meeting, payments will be collected (and receipts issued), medical and consent forms, as well as Subway order forms will be collected (if not already submitted), and trip overview, packing instructions, and final itinerary will be explained with questions to follow.

* Please remind your son/daughter that trip participation will be based on the prerequisite of satisfactory academics, attendance and behaviour in school, as determined by school staff, up until the time of departure.

*Please check with your insurance provider regarding **ambulance coverage** for your child. Any trip to the hospital will require ambulance transportation, for which you will be financially responsible. If your insurance does not cover this, it is *strongly recommended* that you purchase this coverage for the trip.

Thank you.

Blair Molinski
