

InformNet - Manitoba's Online High School - offers full online courses for students within the school year and an **online summer session from July 4-29, 2022**.

The online summer session is open to all students in Manitoba who have not successfully completed a course(s) during the regular academic year or wish to improve their passing grade.

We know that due to COVID-19 many students have had disruptions in their learning. InformNet summer session is a great option for those who may want or need more specific instruction in a course(s) to help prepare for the next year.

The **Manitoba Government is covering the usual \$210 per course fee** for *current* Manitoba high school students.

This commitment will help bridge disruptions in student learning due to the COVID-19 challenges.

Summer session courses are repeater-based – students need to have previously completed the course and want to improve their mark.

THE DETAILS

InformNet Summer Session is Manitoba's only online summer session program.

- Students may **register online at www.informnet.mb.ca** and click the registration link at the top of the page.
- Students **cannot be registered for more than 2 classes** due to time restrictions and the heavy workload associated with this level of course commitment.
- Students will have access to 45 hours of instructional material from July 4 to July 29.
- All online courses have a teacher who is available to the students each day (*Mon. to Fri.*).
- Students need access to a computer and the internet.
- Course materials are available 24 hours a day, seven days a week from July 4 to July 29. (*All related course work must be completed on or before July 29.*)
- Summer Session **registration closes on Wednesday, July 6, 2022, or when capacity is reached.**
