**COMPUTER USE PERMISSION FORM
KINDERGARTEN TO GRADE 12**

Computer Use Permission Form
For Students in Kindergarten to Grade 12

We are pleased to offer students of River East Transcona School Division access to the divisional computer network for electronic mail and Internet. To gain access to email and Internet, all students under the age of 18 must obtain parental permission and must sign and return this form to the school. Students 18 years and over may sign their own forms.

(1) **Internet Safeguards**

Access to email and the Internet will enable students to explore thousands of libraries, databases and bulletin boards while communicating with Internet users throughout the world.

On a global network, it is impossible to restrict access to controversial materials. It is the shared responsibility of the student, parent, teacher and administrator to ensure that access to networks and computers provided by the school system is not abused.

Some material accessible via the Internet might contain items that are illegal, defamatory, inaccurate or potentially offensive to some people. ***The River East Transcona School Division uses an Internet filtering system to minimize access to inappropriate websites (e.g.: pornography).*** While we do everything we can to prevent such access, it is not possible to *guarantee* that students will not accidentally or purposely find inappropriate material. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages. But ultimately, parents and guardians of minors are responsible for setting and conveying the digital citizenship standards that their children should follow when using media and information sources. To that end, River East Transcona School Division supports and respects each family's decision whether or not to approve computer access.

(2) **Division Internet and Email Rules**

Students are responsible for good behaviour on school computer networks just as they are in a classroom or a school hallway. Communications on the network are often public in nature. General school rules for behaviour and communications apply as does the divisional Code of Conduct.

The network is provided for students to conduct research and communicate with others. Access to network services is given to students who agree to act in a

**COMPUTER USE PERMISSION FORM
KINDERGARTEN TO GRADE 12**

considerate and responsible manner. Parent permission is required. **Access is a privilege – not a right.** Access entails responsibility.

Individual users of the divisional computer networks are responsible for their behaviour and communications over those networks. It is presumed that users will comply with divisional standards and will honour the agreements they have signed. Network administrators shall review files and communications to maintain system integrity and ensure that users are using the system responsibly and in accordance with all applicable policies. Users acknowledge that they have no expectation of privacy in respect of their use of divisional servers or workstations or anything stored on same.

As outlined in board policy, the following are not permitted:

- (a) sending or displaying offensive material;
- (b) sending or displaying violent or pornographic material;
- (c) using obscene language;
- (d) using information and communication technology to harass, insult or attack others (cyber-bullying);
- (e) damaging, altering or reconfiguring computers, computer systems or computer networks;
- (f) accessing, uploading, downloading or distributing material that the school has determined objectionable;
- (g) violating copyright laws;
- (h) using another's password;
- (i) trespassing in another's folders, work or files;
- (j) intentionally wasting any resources or introducing a virus or any destructive data into the network;
- (k) employing the network for commercial or illegal purposes.

Violations of this policy may result in a loss of access, other disciplinary measures, legal action or a demand for financial reimbursement. Violations of this policy may also constitute a violation of the divisional code of conduct and/or user responsibility and/or laws including the Criminal Code.

A copy of the complete policy (IJND – Computer Technology Use) is available at the school upon request or at www.retsd.mb.ca.

Dear Parent/Guardian:

The purpose of this letter is to inform you about some of the out-of-school activities or events in the local school community in which your child will participate during the course of this year. Your signature at the bottom of this form confirms that you are aware of the information provided in this letter.

The River East Transcona School Division and the staff of River East Collegiate recognize that valuable and unique learning can take place outside of the school building. We are therefore encouraged to make use of the total resources of the local community to meet curriculum goals.

During the course of the school year, student groups will engage in activities within the local community that take them out of the school building. These activities may include but are not limited to activities and events such as fitness walking and winter activities in Physical Education Classes.

The risk of injury exists in all student activity. However, due to the very nature of some activities, the risk of injury may increase. The safety and well-being of students is a prime concern and every effort is made to minimize the foreseeable risks inherent in any activity.

While participating in school activities, which take them into the community, it is expected that students will conduct themselves appropriately during all aspects of schooling.

If, for some reason, your child cannot participate in activities of this nature, please let us know. In signing this form I acknowledge receipt of this letter and the information provided therein.

I/We understand and agree that this is part of the school program. I/We also understand that as a result of participating in this program that the participant is expected to follow the school procedures and code of conduct and that any deviations from these may result in consequences from the school administration.

I/We declare having read and understood the above INFORMED CONSENT AGREEMENT in its entirety and hereby consent to participate being aware of all the foregoing

Dear Parent/Guardian:

The Grade 9 and Grade 10 Physical Education/Health Curriculum unite two subject areas to promote a strong message to students about making safe and healthy lifestyle choices. The vision of the curriculum is physically active and healthy lifestyles for all students by providing students with planned and balanced programming to develop the knowledge, skills and attitudes for physically active and healthy lifestyles.

As outlined in the Physical Education/Health Education curriculum, your son/daughter will be receiving information in the following potentially sensitive content:

- Safety – Personal Safety (Grade 9 only)
- Healthy Lifestyle Practices – Substance Use and Abuse Prevention, Human Sexuality (Grade 9, Grade 10)

Parents should be aware that the curriculum is developmental and age appropriate. The teachers of River East Transcona School Division will have received training from the division and community agencies to ensure delivery of content with respect, sensitivity and thoughtfulness.

Parents have the option to choose a school based or an alternative delivery for potentially sensitive content. Alternative delivery of potentially sensitive content is the responsibility of the parent (i.e. home, professional counseling) where the content is in conflict with family, religious or cultural values. Curriculum materials are available in the school library or at the following website: www.edu.gov.mb.ca/ks4/cur/physhlth.

A Parent Information Handbook is also available in the school library. Please do not hesitate to call the school if you have any questions.

Parental Option for Potentially Sensitive Content

The Manitoba Education, Citizenship and Youth department of the provincial government has mandated the delivery of all potentially sensitive outcomes. Please check either School Based Delivery or Alternate Delivery for each topic below.

School Based Delivery indicates you are granting permission for your child to participate in the school based delivery of the potentially sensitive issues as outlined by the Manitoba Education, Citizenship and Youth curriculum.

Alternate Delivery indicates you are assuming the responsibility for an alternative, home based delivery (home, professional counseling) of the potentially sensitive content for your child where the content is in conflict with family, religious or cultural values.

Dear Parent(s)/Legal Guardian(s):

This letter is to inform you that there will be a service dog in our school assisting one of our students.

This service animal is a highly trained companion for our student and is able to assist in many of the routine activities which may pose some challenges for this student. Service animals are comparable to a guide service dog and are included in every aspect of the student's life. The student's right to have a service dog is protected under Human Rights legislation.

There will be information sessions at the school to integrate the service animal into our daily routines and all of our students will be instructed as to the proper procedure around the service dog. They will be informed that the service dog is a working service dog and not a pet while at school.

We anticipate the service animal being of benefit to the student's learning and we look forward to this new addition to our school and school community.

Thank you for your understanding, support and interest.

Should you have any concerns please contact Toni Kabaluk at River East Collegiate – 204-338-4611 extension 3186 or via email: tkabaluk@retsd.mb.ca
