- Traditional Ukrainian Shirt or Blouse (to be kept at home)

An important objective of our English-Ukrainian Bilingual Program is to give students opportunities to participate in cultural events and activities. It is through this participation that students acquire an understanding and appreciation of Ukrainian culture and tradition. If an embroidered shirt or blouse is not available, please have your child bring a white top when needed.

Special cultural events such as Koliada, school assemblies, Ukrainian Easter Breakfast and choir performances are enhanced when students wear the traditional Ukrainian embroidered shirts and blouses. Please contact Pani Loughren, classroom teacher, if you require assistance with the purchase of a blouse or shirt.

****Supplies should be clearly marked with your child's name unless otherwise stated****
