If, for some reason, your child cannot or ought not participate in activities of this nature, please let us know.

I / We understand and agree that this is a part of the school program. I / We also understand that as a result of participating in this program that the participant is expected to follow the school procedures and code of conduct and that any deviations from these may result in consequences from the school administration.

K-4 PHYSICAL EDUCATION / HEALTH EDUCATION

Parental Option for Potentially Sensitive Content

The K-4 Physical Education/Health Curriculum contains potentially sensitive outcomes in the following areas:

- Personal Safety
- Substance Use and Abuse Prevention
- Human Sexuality.

The curriculum is developmentally and age appropriate. For example, at K-4, Personal Safety helps children identify safety rules for child protection and how to avoid dangerous situations. Substance Use and Abuse Prevention focuses on identifying helpful and harmful substances and how to safely and properly take prescription medications. Human Sexuality identifies basic changes in growth and development such as changes to teeth, height, and clothes size. Teachers have specific division-mandated training on this curriculum.

The Manitoba Education, Citizenship and Youth department of the provincial government has mandated all potentially sensitive outcomes. Parents have the option to choose school based delivery or an alternative delivery for this potentially sensitive content. Alternative delivery of the potentially sensitive content becomes the responsibility of the parent (i.e., home, professional counseling) where the content is in conflict with family, religious or cultural values.

Please complete the form attached indicating either school based delivery or alternate delivery of the potentially sensitive content for your child. Please note that the permission form is a multi-year form, covering Kindergarten to Grade 4. Choice of school based delivery or alternate delivery can be changed at any time. Please notify the school, in writing, to request a change.

If you require more information, River East Transcona School Division Parent Handbooks are available for keep from school administration. Curriculum materials are also available for loan from the school library. As well, questions pertaining to this curriculum can be made by asking your child's teacher or the school administration.
