

SUN VALLEY SCHOOL KINDERGARTEN FI SUPPLY LIST 2017-2018

A \$50.00 fee is requested from each student to be paid at the 10-minute interview. If paying by cheque, please make the cheque payable to Sun Valley School. This money will cover all necessary supplies and craft items for the year. The school purchases expendable supplies in bulk, which has proven to be very successful since list articles are minimized and the children never lack the proper supplies when needed.

Supplies to be provided by parents: (Please bring these with you to the first interview).

- Running shoes (Velcro) to be left at school (no laces unless your child is able to tie shoes). Please note: shoes worn to and from school should be slip-on or Velcro also unless your child is able to tie independently.
- School Bag 11"X14" or bigger
- 1 Hilroy **Studio** 20 sheet scrapbook, coil bound (**35.6X27.9 cm**)
- 1 clean empty 163 g Pringles (or Lays) chips can (to be used for messages to and from school) Please decorate and label for the first day of school
- 1 box of Kleenax.
- 1 Binder - 1 1/2inch

Please make sure to clearly mark your child's name on his/her school bag, running shoes and scrapbook. All other supplies do not require labeling as supplies are shared.

In conclusion, we want to welcome all the parents and Kindergarten children to the new exciting world of Kindergarten. Bring your child to school the first few days if necessary, but leave him/her at the door after he/she becomes acquainted with the building. It is important to remember that the sooner your child becomes independent, the happier he/she will be. Both parents and teachers should attempt to make each child feel grown up and important. Kindergarten can, and should be, the most wonderful experience a child can have. Let's make it one this year.
