

École Sun Valley Lunch Bunch Has Gone Digital!

This year the Lunch Bunch program has moved to an online registration system. **You can now register your child(ren) at www.sunvalleylunchbunch.org.**

Lunch Bunch is the lunch time supervision program that cares for students over the lunch hour. It is a school division supported, parent organized, optional program, where families pay for participation in the program.

Due to COVID-19, the Sun Valley Lunch Bunch program has implemented a two-stage registration process for the 2020-2021 school year. For all families wishing to participate in the Lunch Bunch Program, we ask that whether your child(ren) are bussed or not bussed that you register using our new online system. If your child stays at school over the lunch hour, **THEY MUST BE REGISTERED**. **NO PAYMENT** will be required at this time. Once we are more certain of how school will proceed in the fall, we will request payment at that time.

If you already registered by paper, we are asking that you complete our new online registration as well.

All families who complete the online registration before **JUNE 30, 2020**, will be entered to win 1 of 2 chances to win a free year of Lunch Bunch.

Please visit www.sunvalleylunchbunch.org for full information on the program and registration. Although payment is not required at the time of registration, you will find details on the implementation of a monthly pre-authorized debit program that will be implemented for the 2020-2021 year that we are encouraging families to consider for payment.

For any questions on the program that are not answered on the website, please email sunvalleylunchbunch@gmail.com

Thank you and have a safe and healthy summer!
