

Kyle Johnson: 1981-2000

Born and raised in Transcona, Kyle was well known for his athletic abilities and infectious personality. Growing up Kyle flourished at most team sports but hockey was his passion. From foot hockey to street hockey after school, Kyle's dedication to the sport quickly paved the way to AAA, the Manitoba Junior Hockey League and later the Saskatchewan Junior Hockey League. His natural talent combined with his amicable personality made him an asset to every team he played on. Small in stature, Kyle's determination combined with knowledge and skill propelled him to the top of the scoring leaders for the league. Surrounded by a loving family Kyle was given the tools needed to manage the career of a hockey player and he looked to the future with excitement and anticipation of great things to come. Unfortunately his life was cut short by a tragic accident on an annual camping trip with friends. This scholarship had been created to keep the memory of Kyle alive while recognizing those students who reflect the same love and dedication for sport and community that he had.
