Hey Grade 12's [Graduation 2022!](#) Are you interested in helping to plan grad this year? Do you want to put your names forward as grad co-chairs? If yes, please send Mrs Romu a chat indicating that you and a buddy would like to run as grad co-chairs.

This job would involve input into the grad ceremonies, designing decorations, designing grad hoodies, planning possible fundraisers, and much more.

Again, if you are interested, please forward your comments to Mrs Romu in a chat!

TC online scholarship application will be accessible by March 15, 2022.

Deadline for this application will be Friday, April 28, 2022.

Other scholarships have separate deadlines.

What to do next?

- 1) Set a reminder in your phone to check the TEAMS – grade 12 info channel weekly and the Scholarship link on the TC homepage
- 2) Check out myblueprint.ca for help with career planning. Use your school log in to access this.
- 3) Register online for the fall post secondary info sessions

Remember:

Not everyone knows what they want to do “when they grow up” – that’s okay – you will figure it out as you explore options

(Ask your parents or other adults if they are still doing the same job that they thought they would be doing at age 17)

Apply for scholarships – sometimes there are few applicants. If you spend 5 hours on an application and are awarded \$500.00 – you were paid \$100/hour!!!!

Please reach out if we can help in any way!!
