

FACILITY EXPANSION PLANNING COMMITTEE

- (1) The superintendent shall establish a planning committee for each facility expansion project approved by the minister of education.
- (2) The size and composition of each committee may vary depending on the extent of the renovation, addition, or new facility expansion.
- (3) The facility expansion committee shall contribute to the development of educational specifications for the project. These education specifications shall guide the architect in the planning of the building.
- (4) The facility expansion committee shall meet at the call of the superintendent.
- (5) The facility expansion committee may consist of representatives of:
 - (a) the board;
 - (b) the superintendent's department;
 - (c) the secretary-treasurer's department;
 - (d) the teaching and administrative staff of the division;
 - (e) the community;
 - (f) the students;
 - (g) the architect.
