

CONFLICT OF INTEREST

A conflict of interest exists when an act to further the economic well-being of an employee or their personal interest raises a reasonable question of conflict with their duties and responsibilities in the division.

The River East Transcona School Division will not condone the action of an employee whose activities are a conflict of interest.

If an employee is found to be in conflict of interest by the board or agents of the board, the employee may be subject to disciplinary action that may include termination of employment.
